THE FURNITURE SHACK

Family Owned • Quality Furniture • Honest Prices

RENOVATED WEBSITE COMING SOON!

Please excuse our mess while we work to make your shopping experience better.

Our new and improved website is currently under construction and will officially launch in February.

THANK YOU FOR SUPPORTING OUR FAMILY BUSINESS

Thank you very much for the years of business in helping us grow. We will continue to offer all furniture and mattresses at discounted prices, as being a family business allows us to operate at a lower cost, which in turn passes the savings on to you!

WE'RE STILL OPEN!

Open all days of the week except Tuesday.
Please hop in and check out our new additions, as we will be adding 21 new groups over the next 6 weeks.

Due to the amount of discontinued products and new additions, the current website pictures and prices are void.

Again, thank you for your continued loyalty and patronage. We look forward to continuing to service your home decor needs.

HAPPY NEW YEAR
